COVER PAGE

Details of the authors

- Author's Name, Academic Title
- Author's Organization (English and Vietnamese)
- Address and contact information (email, phone)

ARTICLE TITLE

Abstract: [insert text here]

The manuscripts should begin with an indented and italicized abstract of around 100-200 words, describing the main arguments, method, data and main results of the article

Key words: a list of 3-5 keywords in alphabetical order.

- 1. Introduction**
- 2. Literature Review/ Theoretical Framework and Method**
- 3. Results and Discussion**
- 4. Conclusions and Policy Implications**
- 5. References**

Citations in the text should use the APA system of short references, e.g (Herzer, 2013). Endnotes should be kept to a minimum, indicated by superscript figures in the text, and placed at the end of the manuscript. Bibliographical list containing all the works referred to, in alphabetical order, to appear after the endnotes.

For example:

Thérin, F. (Ed). (2007). *Handbook of research on techno-entrepreneurship*. Cheltenham, UK: Edward Elgar.

Trejos, S., & Barboza, B. (2015). Dynamic estimation of the relationship between trade openness and output growth in Asia. *Journal of Asian Economics*, 36, 110-125.
DOI:10.1016/j.asieco.2014.10.001

6. Structure Requirements

- Cover page with full details of the authors including: detail of the author's organization; full address and contact information
- And manuscript without any author identification/name. Manuscripts must be in English and should be written using MS Word, with New Times Roman font, type size 12 with 1.5 line spacing. The length should not be more than 6,000 words (inclusive of tables, figures, notes, references and appendices).
- The title of the manuscripts should be bold and centred. Section heading should be bold, left justified and numbered sequentially in Arabic numerals. First level heading (e.g 2.1) should be in italics and bold, and the second level subheading (e.g 2.1.1) should be in italics and not bold. All pages should be numbered consecutively.
- Tables and figures should be numbered separately and sequentially using Arabic numerals. Each table and figure should be given an informative title. Figures must be of high quality, of a good resolution and sharpness. The caption should be placed above tables and below figures.
- Any manuscript that does not meet the above instructions may be returned to the author for the necessary revision before publication.
